Project Index

Adverse Effects of Cow Milk in Infants	101
African American Children's Transition to School	148
Alternatives for Developmental Screening in Primary Care	54
Antenatal Formula Distribution: Effect on Breastfeeding	143
Behavior Problems in School-age Children of Teen Mothers	155
Choices of Life for Adolescence Success	47
Clinician Help for Mothers of Infants with Lung Disease	164
Cost-Effective Emergency Department Screening for UTI Febrile Children	153
Crossing Cultural Boundaries: An Ethnographic Study	11
Development of Monitoring Methods for Perinatal Outcomes	121
Diarrheal Illness Surveillance in Child Day Care	146
Does Education Limit Lead Burden?	135
Does Lead Burden Alter Neuropsychological Development?	133
Early Child Care Study of Children with Special Needs	158
Early Cortisol Replacement to Prevent BPD: Pilot Study	70
Early Intervention Collaborative Study: Age 10 Follow-up	129
Effect on Breastfeeding of Pacifiers and Bottle Feeding	50
Evaluation of Hawaii's Healthy Start Program	113
Factors Associated with Nutritional Intake in Adolescents	43
Free β and HCG in Screening for Down Syndrome	103
Growth and Development: Longitudinal Followup	109
Health Care Utilization: Pediatric Organ Transplantation	18
Home Nursing to Avoid Pediatric Hospitalization	58
Home Versus Group Visits After Early Postpartum Discharge	15
Homeless Mothers and Children: A Longitudinal Study	131
Improved Prenatal Detection of the Fragile X Mutation	140
Improving Health/Development of Low Income Pregnant Women	35
Indicators of Maternity Care in Medicaid Managed Care	95
Infant ETS Exposure: Clinic-Based Maternal Counseling	3
Infant Temperament: Neonatal to 5 Years in Rural Appalachia	84
Injury Prevention in an Urban Pediatric Clinic	118

Interparental Conflict and Adolescent Violence	7
Maternal Birthweight and Reproductive Outcomes-Phase 2	81
Maternal Birthweight and Reproductive Outcomes	161
Mom/Kid Trial: A Multicomponent Abuse Prevention Program	137
Office Systems to Improve Preventive Care for Children	88
Pediatric Health Supervision to Promote Literacy	150
Poverty and the Ecology of African-American Children	26
Predicting the Need for Hospitalization in Childhood Asthma	74
Preventing Mental Health Problems in Ill Children	123
Prospective Investigation of Twin Gestation	40
Psychosocial Sequelae of Bronchopulmonary Dysplasia and Very Low Birthweight-Phase Two	66
Reducing Preterm Birth by Bacterial Vaginosis	30
Regulatory Disorders and Developmental Outcomes	111
Role of Early Family Supports in Adult Self-Sufficiency	62
San Antonio Triethnic Children's Blood Pressure Study	78
Satisfaction with and Utilization of Prenatal Care	22
Social Context of Puerto Rican Child Health and Growth	126
Three-generation Intervention Among Adolescent Mothers	105
Use of Child Health Services by Hispanic Families	99
Watchful Waiting Versus Antibiotics As Soon As Possible	97
