

National Training Institute for Child Care Health Consultants
Toolkit Evaluation

This evaluation should be completed after you have facilitated your training using an NTI Toolkit. We will use the information you provide to determine the usefulness of this Toolkit and to make changes as necessary.

1. Name of Toolkit:

2. How long did it take you to provide this training?

- a. 30 minutes or less
- b. One hour or less
- c. Two hours or less
- d. More than two hours

2b. Do you feel this amount of time was:

- a. Too short
- b. Too long
- c. Just right

3. Did using this Toolkit improve your ability to prepare and implement your training?

- a. Yes
- b. No

3b. Why or why not?

4. Did you use the Toolkit as it was developed by NTI or did you edit the Toolkit to meet the needs of your audience?

4b. If you did change the Toolkit, what did you change?

5. What was most helpful about using this Toolkit to prepare for your training?

6. What should be changed about the Toolkit?

7. Are there other resources or additional information that should be included in this Toolkit?

8. Please check the topics below for which you would like to see Toolkits developed:

- Child Maltreatment
- Environmental Health
- Mental Health

- Oral Health
- Caring for Children who are Ill or Temporarily Disabled
- Caring for Children with Special Needs
- The Field of Child Care
