CENTERS:

National SIDS/Infant Death Resource Center

National Center for Cultural Competence SIDS/Infant Death Project

National SIDS/Infant Death Program Support Center

National SIDS and Infant Death Project IMPACT
The National SIDS/Infant Death Resource Center (NSIDRC)

- Produces and provides professional and consumer educational materials on such topic areas as SIDS risk reduction, current research and trends, grief and bereavement, ethnic disparities, and infant mortality statistics
- Provides resources, technical assistance and referrals to public health and other professionals, SIDS families, and the general public
- Maintains a comprehensive bibliographic database that provides abstracts and citations obtained from a myriad of professional health journals

For more information, contact:
NSIDRC
8280 Greensboro Drive, Suite 300
McLean, VA 22102
Phone: (866) 866-7437
(703) 821-8955
Fax: (703) 821-2098
Email: sids@circlesolutions.com
Web site: www.sidscenter.org

The National Center for Cultural Competence (NCCC) SIDS/ID Project

- Provides training, technical assistance, and consultation to increase the capacity of national, regional, State and local SIDS/ID programs to design, implement, and evaluate culturally and linguistically competent service delivery
- Produces and disseminates publications and other materials to support organizations in providing culturally and linguistically competent services to families affected by SIDS/ID
- Promotes networking and information exchange on culturally and linguistically competent policies and practices among programs concerned with SIDS/ID at the local, State, regional, and national levels

Email: cultural@georgetown.edu
Web site: http://gucdc.georgetown.edu/nccc

The National SIDS/ID Program Support Center (NSIDPSC)

- Supports SIDS/ID programs at the local, State, regional, and national levels to develop community-based services for bereavement support and risk reduction
- Supports programs to provide appropriate training to medical staff, first responders, police, funeral directors, and others
- Assists in improving services to underserved populations including certain racial and ethnic minorities, rural populations, and migrant groups

Fax: (410) 653-8709
Email: kathleen.graham@firstcandle.org
Web site: www.firstcandle.org

National SIDS & Infant Death Project IMPACT

- Disseminates SIDS/ID-related information to State, local, and program officials
- Communicates policies and positions of the government and professional associations to service providers, researchers, and others
- Creates opportunities for collaboration among Federal, State, and local organizations to facilitate responses to existing and emerging SIDS/ID issues with a strong commitment to the development, improvement, and maintenance of State and local SIDS/ID programs
